Self Service Registration (Updated!)

Welcome! ADP is committed to protecting your privacy and ensuring that only you can access your personal information. To assist us in meeting that commitment, you must register with us before using our services.

You will need your registration code (for example acme-abc1 or 9A78632F) and the URL of your ADP service web site. Be sure to keep them handy.

Complete the following steps to register for ADP’s W-2 Services product:

Go to the https://w2.adp.com web site and click “Register Now”.

Activate Your Mobile Phone (Updated!)

If you provided a mobile phone number during registration, look out for a text message from ADP. Reply with the code to activate your mobile number.

Note: In the United States, the message will come from sender “90206”; the sender will vary in other countries.
Need Help? Forgot Your Password?

Once registered, you can use your user ID and password to log in and access your ADP service. If you forget your password, you can use the “Forgot your password?” link on your ADP service web site to reset your password.

During this process, you will be required to verify that you are the rightful owner of the account to protect your personal information.

Complete the following steps.

1. Enter your user ID to identify yourself.

2. Select the reset method.
   - Request temporary password to be sent as a text message to your activated mobile phone number.
   - Request temporary password to be sent via email to your activated email address.
   - Request to answer security questions and reset the password on the screen.

Note: If you have not yet activated your email address and/or your mobile phone numbers, the email and text message options will not be available to you. Use the option to reset your password on the screen.
Note: Depending on the reset method you select, the next set of steps will differ.
Using your activated mobile phone number or your email address

3. Enter the answer to your security question(s) to continue.

4. Upon successful verification of your security answer(s), a temporary password will be sent to your mobile phone number or email address.

   Use your temporary password to log in to your ADP service and choose your new password when prompted.

   Note: If you are unable to reset your password, try a different option. If the problem persists, contact your organization’s administrator for assistance.
